FORM-III (See Rule 10)

AUTHORISATION ORDER

No. 8146 / SPCB/Authorization (Biomedical Waste) Date 13.08.19 /
IND-IV-BW- 2890 BY SPEED SPOST

Sub: Authorization under Biomedical Waste Management Rules, 2016 and Amendment thereof for operating a facility for generation, collection, reception, treatment, storage and disposal.

APPLICATION NO: 2585130

The Medical Officer, I/c of CHC Keluapalli, Ganjam an occupier of the facility located At Keluapalli, Rangeilunda Block Dist: Ganjam is hereby granted an authorization for;
Activity

Generation and Segregation ✓, Collection ✓, Storage ✓, Packaging ✓, Reception ✓,
Transportation ✓, Treatment ✓ and Recycling ✓

The authorization is valid up to 31.03.2024 for handling wastes generated from 06 no. of beds. For any increase in number of beds, the applicant shall obtain prior permission of the prescribed authority.

An application shall be made by the Occupier for renewal of authorization in Form-II before four months from the date of expiry of this authorization.

This authorization is subject to the general conditions, standards & special conditions stated below;

(A) GENERAL CONDITIONS:

1. The authorization shall comply with the provisions of the Environment (Protection) Act, 1986 and the rules made there under.
2. The authorization or its renewal shall be produced for inspection at the request of an officer authorized by the prescribed authority, i. e, State Pollution Control Board, Odisha.
3. The person authorized shall not rent, lend, sell, transfer or otherwise transport the biomedical wastes without obtaining prior permission of the State Pollution Control Board, Odisha.
4. Any unauthorized change in personnel, equipment or working conditions as mentioned in the application by the person authorized shall constitute a breach of his authorization.
5. It is the duty of the occupier to report major accidents including accidents caused by fire hazards, blasts during handling of bio-medical waste and the remedial action taken and the records relevant thereto, (including nil report) in Form-I to the prescribed authority and also along with the annual report.
6. The biomedical waste container shall be labeled as specified schedule-IV of the rules.
7. Untreated Bio-medical waste shall not be stored beyond a period of forty-eight hours.

- facility/centrally located facility, the segregated waste in coloured bags or containers shall be stored safely at a place within the premises from where the common facilitator/operator of centrally located facility can collect the segregated waste.
6. The occupier all bedded health care facility shall maintain and update on day today basis the bio-medical waste management register in terms of category and colour coding as stipulated in this order and display the monthly record on its website. Annual report (in form-IV) also shall be displayed on its website.
 7. The occupier shall establish a bar-code system for bags or containers containing bio-medical waste to be sent out if any to the common facility or centrally located facility.
 8. The occupier of the facility shall submit the annual report for the period from January to December of the preceding year in Form-IV specified in principal rule by 30th of June of every year.
 9. The occupier shall phase out use of chlorinated plastic bags used for storing and transportation of wastes with immediate effect.
 10. The occupier shall provide training to all its health care workers and others, involved in handling of bio medical waste at the time of induction and thereafter at least once every year and the details of training programmes conducted, number of personnel trained and number of personnel not undergone any training shall be provided in the Annual Report;
 11. The occupier shall immunize all its health care workers and others, involved in handling of bio-medical waste for protection against diseases including Hepatitis B and Tetanus that are likely to be transmitted by handling of bio-medical waste
 12. The occupier shall conduct health check up at the time of induction and at least once in a year for all its health care workers and others involved in handling of bio- medical waste and maintain the records for the same.
 13. The occupier shall designate a qualified person to review and monitor the activities relating to bio-medical waste management within that establishment.
